RE: 2006 Hotel Rate Guide

DATE: December 12, 2005

Attached are the listings of various hotel/motels around the State that have responded to our request for rates. This listing will be effective through December 31, 2006. Please be sure to distribute this guide to all personnel in your agency who are responsible for making lodging arrangements. The hotel/motel listing is available on the internet and may be downloaded from the Division of Purchasing and Materials Web Site (www.oa.state.mo.us/purch/purch.htm).

Rates shown on the listing should apply through December 31, 2006 unless otherwise noted. All requested changes by the hotels/motels will be made on a quarterly basis on the internet listing. Copies of the listing with changes will not be reissued. If your agency does not have access to the internet, a copy of the listing may be requested by contacting Karen Herman at 573-751-4169.

The hotels/motels are listed by alphabetic city location. Note that the St. Louis area is divided between St. Louis City vs. St. Louis County. This arrangement should help you to find lodging near the location you are visiting.

Be advised that the Division of Purchasing and Materials Management has not inspected these facilities. Be sure to ask for specific information concerning accessibility for persons with disabilities. The level and quality of accessibility can vary widely.

Some hotels/motels extend state employee rates to family members and leisure travel, while others do not, and some require state employee ID cards or letters containing the tax exempt number before reduced rates will be approved. It is always advisable to make reservations ahead of time to be sure of all such details.

The hotels/motels listed may or may not charge rates that are within Contiguous US Per Diem Rates (CONUS) guidelines. The CONUS Rates may be found on the Internet at: <http://www.dtic.mil/perdiem/perdiemrates.html>

This listing does not include all the Hotel/Motels in the State. If you are staying at a facility not listed herein, be sure to ask for the government rate. Special rates may be available for groups, extended occupancy, or frequency of occupancy. In addition, if staying at a facility not listed herein, please provide me with the name and address of the hotel/motel. I may be reached at 573-522-3052 or via e-mail at stacia.dawson@oa.mo.gov.

When making your reservation at a hotel on this list be sure to ask for the "Missouri State Employee Rate", since it often varies from the rate extended to federal employees.
